THE CLAN DENNY

SINGLE GRAIN SCOTCH WHISKY

The Clan Denny Single Grain Scotch Whisky

We select only the finest casks which have been lying untouched in our cold, dark and damp Scottish warehouses for many decades.

Typically our aged Single Grain Whiskies have a deliciously sweet and distinctly fruity character as a result of many years in the finest oak casks during maturation.

This is a truly specialist range of rare Single Grain Scotch Whisky, aged from around 7 Years Old to 50 Years Old and wrapped up with premium packaging making it a perfect gift.

We are proud to communicate that these Premium Single Grain Bottlings are as natural as you can get:

- Non Chill Filtered
- Bottled at Cask Strength
- No Colouring
- Case size: 6 x 70cl
